DECISION

The Board deliberated in detail on the issue of non- conforming use in the light of apex court proceedings, recommendation of private town planners in meeting held on 24-08-2015, reservations of Islamabad Chamber of Commerce & Industries and considering the stakes of civil society, decided to further refine earlier Board decision dated 29-07-2015 (through circulation). As per proposal of counsel of petitioner, Board after detailed discussion decided that no exemption shall be allowed against the Building Regulations-2005 and no discrimination shall be allowed to any category. Uniform six months time period shall be given to these non conforming establishments to wind up their businesses and bring the premises into conforming use as per provision of scheme plan and allotment letter. In this regard necessary amendments in the CDA regulations in accordance with CDA Ordinance-1960 will also be made to simplify the existing procedure, which is time consuming and cumbersome.

Regarding provision of sufficient commercial area, Board also agreed to put different commercial plots for auction. Accordingly in coming auction, approximately 800,000 sft space will be available to cater the commercial needs.

This six months timeline for winding up the existing commercial activities is subject to following conditions:
