**11.1 IMPLEMENTATION OF COURT ORDERS DATED ; 29-01-2024  
& 27-06-2024 PASSED BY NIRC SINGLE BENCH.**

**DECISION**

The summary was presented by the DG (HR) and Member Admin, CDA. It was apprised to the board that some Officials (OGM and Tube well Operators) working in Environment Wing and Water Supply Directorate were assigned acting charge of various posts by the directorate concerned at the directorate level. With the passage of time they were working even HR Directorate issue multiple time cancellation of their officer order, but in vain. Resultantly they approached the NIRC and the NIRC Single Bench has directed the Authority to upgrade the petitioners retroactively from the date of completing 10 years in their respective acting charge positions.

CDA filed appeals before the Full Bench, NIRC, which were dismissed vide order dated 19-09-2024. CDA took another chance and filed writ petition in the High Court against the impugned orders of the NIRC. Even from there CDA could not succeeded and writ petitions were dismissed in limine vide order dated; 23-04-2025.

The Board in its meeting dated 24-12-2024 directed the Law Wing to carefully oversee the legal aspects of the case, including any positional repercussions related to the matter. The Law Wing instructed to develop a definitive legal opinion and recommendations and to present these to the Board for a final decision.

Law Wing filed an appeal in the Apex Court of Pakistan and opined that there are meager chances to get relief from the Honourable Supreme Court of Pakistan. Because it would not be easy to get set aside all three consecutive judgments. It is advisable the order of the NIRC may be implemented subject to the final decision of the Apex Court.

After thorough deliberation and review of the information provided, the Board decided the followings:-

- Compliance be made by implementing the court orders with immediate effect subject to the final decision of the Apex Court.
- Initiate a fact finding inquiry to ascertain the facts and thrash out / dig out the root cause and responsible officers who were involved for approving acting charge cases and issued order in this regard
- Ban must be imposed henceforth, to identify the unauthorized acting/look-after charges, which are not inconsonance with the CDA ESR-1992.
- Ensure all future promotions strictly follow CDA regulations.
- Decisions must be align with CDA Board decision dated 09-09-2022 to avoid any precedent-setting inconsistencies.
